How to cook zucchini for 10 month old baby. How to cook zucchini for a 1 year old. Zucchini meatballs in air fryer.

Recipe for oat zucchini that can already eat small baby and children. With instructions for the Thermomix this Zucchini-puffer, we often exist when the children were still baby and the Bei-Kostalt, so they have become an integral part of our men's. They are great to eat slowly at the right table and even to be convicted. If it serves the Zucchini-puffers for the children U1, let the salt and mustard. During breastfeeding, onion and garlic can simply be left out. buffers still know very well. 500 g of squid/150 g of robust oatmeal/70 g of grated cheese/1 onion onion garlic finger salt, pepper, tracker as desired (wo take knorr kräuterlings) 4 teaspoons 1 teaspoons of last time of last time: approx. 20 minutes rest time: 5 minutes cut the sliced zucchini and hit the onion and garlic in your Thermomix, where they crush them at level 5 for 5 seconds. Then add all the ingredients and let the TM cut to level 4 for 20 seconds in the left race (!). Your zucchini mass is ready. Zucchini-puffers yourself is very simple. First, the zucchini abruptly roll and mix coconut or ghee to roast. © familiekost. They are also
